Subject: Request for Extension on Assignment Submission

Dear Professor,

I hope this message finds you well. I am writing this letter in order to request you to kindly extend the submission date for the upcoming assignment of your course.

This is due to the personal issues which I am currently facing. Over the past few days, I have been facing a lot of troubles personally which have affected my capabilities as well my ability to finish the assignment in the meantime. Although, I am working on the task and wanted to make sure that I complete it within the original time frame but due to these unforeseen events I am asking you for an extension. Due to this extended timeline, I will be able to cover all the required material needed for the assignment.

Therefore, kindly understand my situation and grant me an extension of a few days. I sincerely apologize for such an inconvenience which will be caused due to this and I will completely understand if the deadline is not extended.

Thank you for your time and consideration. I truly appreciate your support as well as your guidance for this course.

Kind regards,
