About Me

I am a passionate as well as a hardworking student who is currently focussing on my BTech at VIT Bhopal. My current goal is to learn C++ as well as focus on python and it's important modules which include TensorFlow, Pandas, Matplotlib, etc. I like solving problems which are crucial in enhancing my coding skills, also while trying to learn as well as adapt to new technologies. My short tem focus is on upskilling myself and long term goal is to contribute and be a crucial member in critical projects in the future.

Kaggle Profile

The image shows a Kaggle profile banner for the user 'AryamanSaxena@18'. The banner has a dark blue background. On the left, there is a circular profile picture with a blue border, containing a black and white illustration of a goose. To the right of the profile picture, the username 'aryamansaxena18' is displayed in a small font, followed by the display name 'AryamanSaxena@18' in a large, bold font. Below the display name, the bio 'Aspiring Data Scientist | Learning by Building |' is shown. Further down, four pieces of information are listed with corresponding icons: 'Pronouns: he/him' (person icon), 'Student at VIT Bhopal University' (briefcase icon), 'Bhopal, Madhya Pradesh, India' (location pin icon), and 'Joined 3 minutes ago · last seen in the past day' (calendar icon). On the right side of the banner, there are decorative abstract shapes in blue, green, and yellow, and a small circular edit icon (pencil) in the top right corner.
