

DIGITAL LITERACY ESSENTIALS FOR STUDENTS

WHAT DIGITAL LITERACY IS

Digital Literacy means knowing how to find, evaluate, and create content responsibly online.

SAFE INTERNET PRACTICES

- Use strong, unique passwords and enable two-factor authentication.
- Avoid sharing personal information (address, phone number, email).
- Report phishing scams, suspicious links, and emails.
- Be cautious about friend requests and messages from strangers.

THINK BEFORE YOU CLICK:
ALWAYS VERIFY THE SOURCE AND
SAFETY OF WEBSITES AND LINKS.

PROFESSIONAL ONLINE PRESENCE

Build a respectful, consistent online image for future opportunities.
